Program Administrator: Eric Opdahl

Phone: 402-827-1324

Initial Site Visit: October 18, 2007

Program Overview:

Ages served: Preschool, School Aged

Serve children with Special Needs: 22.7%

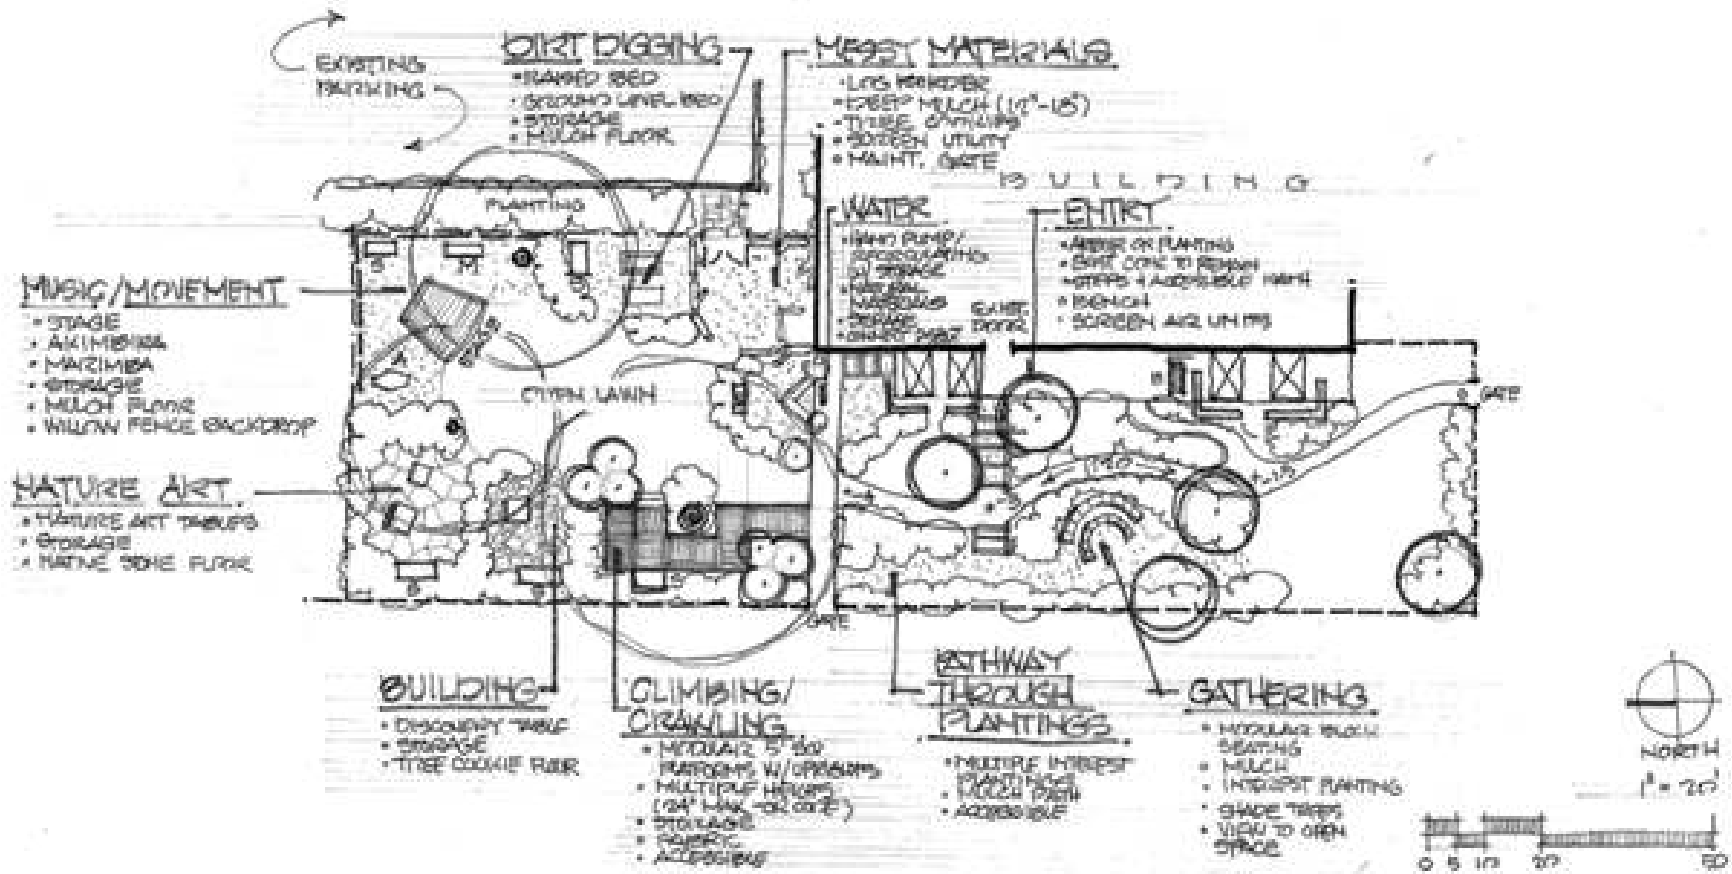

Number of children enrolled: 132 Pre-K

Serve low income children: 80%

From their application:

We plan to include all of the families in the design and development of our classroom. We are particularly excited about incorporating ideas from other cultures, as we currently serve students from all over the world. We will teach our students about the need to respect our earth and teach them the importance of caring for our special classroom.
