

Omaha AEYC Week of the Young Child Report

The Omaha AEYC Week of the Young Child kick-off event was held on Saturday, April 18 from 10:00 am to Noon at the Omaha Children's Museum. This free event for Omaha's children and families attracted over 1700 people. Children and families enjoyed over 30 activity and resource tables. Children were amazed by the balloon art created by the Amazing Arthur Balloon Brigade, smiled big when they met and got their photo taken with NET's Sid the Science Kid and rocked out to the musical styling's of Funky Mama Music.

A huge thank you goes out to the Omaha Children's Museum staff for their assistance in planning and coordinating the event with OAEYC. Thanks also to all of the programs and agencies that provided activities and information for children and families.
