

## Mini Grant Activities Overview 2022

### SCC Early Childhood Student Group

The SCC Student Group kicked off the Week of the Young Child by setting up a hall display with various items promoting the event. We provided a flyer with activities to do for the WOYC as well as sidewalk chalk with ideas for use. Copies of the *Learning Begins at Birth* publication were made available to ECED students as well as the college community. In all ECED classes F2F and WB we held book drawings for children's books (funds were not used to purchase books).

On April 12<sup>th</sup> we hosted a Teacher Apron Make & Take Workshop for ECED students. We had 17 students in attendance. Grant funds were used to purchased workshop supplies and door prizes.
